

September 24, 2024

Dear Patients,

It is with mixed emotions that I am announcing my departure from Peterson Medical Associates, effective **December 31, 2024**.

Upon my departure, your care may continue through the competent and excellent team of primary care providers at Peterson Health Medical Plaza. Should you choose any of them as your new PCP, your medical record will be automatically available to them.

If you choose to find another provider outside of Peterson Medical Associates, your insurance customer service line or provider directory can best assist you in locating available providers in the area that are accepting new patients.

Your medical records are confidential, and a copy can be transferred to another (not associated with Peterson Medical Associates) doctor or released to you or another person you designate only with your permission. If you choose to see a different physician, please sign the enclosed authorization and return it to my office as quickly as possible so we may transfer your records.

Please note that I will maintain my regular office hours through December 31, 2024. I have valued our relationship and greatly appreciate your loyalty and friendship.

Best wishes for your future health.

Sincerely,

Sandra M. Garred, MD
